

JIM REGAN

EDUCATION

Animation Mentor • Diploma in Advanced Character Animation, 2008
B.S. in Communications • SUNY-Fredonia, 1986

EXPERIENCE

PRODUCER/DIRECTOR

North Carolina Agency for Public Telecommunications,
November 2009–Present

Responsible for all stages of video and animation production including management, budget development, writing, storyboards, field production, editorial, animation production and audio mixdown.

FREELANCE ANIMATOR

2004–Present

Responsible for all stages of animation production including client interaction, concept and design, storyboarding, modeling, animation, lighting and shading, rendering and compositing. Work included motion graphics and character animation for broadcast and commercial clients.

CG CHARACTER ANIMATOR

Lumenas Animation Studios, February–March 2009

Responsible for believable and entertaining character performances for animated feature film to be released 2010/2011. I work closely with a team of animators under an animation supervisor and the film's director, including participation in dailies, while working independently on assigned shots.

MAYA INSTRUCTOR

Wake Technical Community College, Spring 2008/2009

Taught college-level course, “Modeling For Maya,” to 50 students in a lecture and computer lab environment. Responsibilities included developing lecture curriculum and lab assignments.

SENIOR 3D ANIMATOR

Serious Robots Animation, 1993–2007

Responsible for all stages of 3D animation production including client interaction, concept and design, storyboarding, modeling, animation, lighting and shading, rendering and compositing.

SENIOR 3D ANIMATOR

Telemation, 1989–1993

Responsible for all aspects of animation production from client relations to final compositing and editing for a full service video production facility.
